NEW PRODUCT | MTBPCKR-28

	PRODUCT DETAILS		
DESCRIPTION.	Rechargeable Battery Pack		
CODE.	MTBPCKR-28		
PACK SIZE.	CT 10		
COLOR / FINISH.	White (075)		
IMAGE.			
USE WITH.	Motors	Power Sources	Cables
	Automate | DC 18mm *Part # MTDCRF18-0.2* Automate | DC 25mm *Part # MTDCRF25-1.1* Automate | DC 28mm *Part # MTDCRFQ28-2* Automate | VT (Vertical Tilt) *Part # MTDCRF-TILT-1* Cord Lift (Cellular & Roman Shades) *Part # MTDCRF-CL-0.6-50*	Recharger for DC Battery Motors *Part # MTDCB-CHARGE* Solar Panel for Battery Motors *Part # MTSOLPAN-B*	Solar Panel Y Harness Cable *Part # MTDCB-YCBL-SOL* DC Battery Motor Cable extender *Part # MTDCB-CBLXT6* *Part # MTDCB-CBLXT48* *Part # MTDCB-CBLXT96* DC Motor Cable extender *Part # MTDC-CBLXT6* *Part # MTDC-CBLXT48* *Part # MTDC-CBLXT96*

FEATURES & BENEFITS

PRODUCTION / INSTALLATION FEATURES

- The rechargeable Lithium-Ion battery pack enables Automate D/C motors to operate without the constraints of traditional battery wands with disposable batteries
- Small profile allows for optimal placement in window pockets

FUNCTIONAL BENEFITS

- Provides up to 500 up/down cycles on a single charge (depending upon shade size)
- Battery pack fully recharges in ~ 6 hours
- Battery health status reported in Automate Pulse App
- Pairs with optional solar panel for autonomous re-charging

AESTHETIC FEATURES

- n/a
