The 2-piece end cap provides the ability to retain the fabric in the lower corners, ensuring a premium finish to the fabric screen.

FUNCTIONAL BENEFITS

- When used in conjunction with 7mm Fabric Spline, the 2-piece design allows for increased zip engagement in the Zipscreen Inner Rail.
- Additional screws provide the ability to retain the fabric in the lower corners, ensuring the fabric remains locked to the weight bar preventing and movement
- Both end caps compatible with new Zipscreen Ultra-Lock

PRODUCTION / INSTALLATION CHANGES

- Pair parts engraved with 'A' with 'B' together

AESTHETIC FEATURES

- Consistent aesthetics with current componentry
