

MACRO ROMAN BATTEN SYSTEM

Acmeda has expanded on its range of sewless Aluminium battens for Roman & Soft Shades. The new macro batten maintains both a slimline look and the capability to be used with a wide range of fabrics.

FEATURES/BENEFITS

- Slimline extrusion.
- Increased opening to cater for thicker fabrics.
- Slimline & firmer fitting end caps.
- Ergonomically designed batten clips for easy assembly.
- Optional choice in batten clips.
