

## Zipscreen Outdoor Shades

# Pivot Arm

The Pivot Arm system is ideal for windows on first or second levels of the home or office. Pivot Arm features a robust spring-loaded arm and perfectly maintains fabric tension in all positions.

### Features

- An alternative solution within Zipscreen's comprehensive outdoor shading suite
- Drop Awnings are modular. Utilise common components across the entire suite
- Suitable for traditional awning style opening windows and sheltered areas around the home.

### Colour Range

\*Pivot Arm Rails in Pure White and Black only.
