

Zipscreen Outdoor Shades

Wire Guide

A discreet wire guided solution, great for floor to ceiling applications. Featuring a universal bracket to fix the base of the wire guide to the floor, face or recess. The Wire Guide system utilises compression springs to tension the wire, ensuring a smooth and steady guide for the fabric.

Features

- Drop Awnings are modular. Utilise common components across the entire suite, including Zipscreen
- An alternative solution within Zipscreen's comprehensive outdoor shading suite
- Universal bracket to fix the base of the awning to the floor, wall or in a recess
- Wire tensioning is simple and quick to adjust
- Compression spring to allow for wire stretch
- Range of cassettes for fabric protection
- Up to 7m widths.
