Kleenscreen Blackout

ROLLER

PANEL

Kleenscreen Blackout combines the functionality and durability of a typical solar screen with the privacy of a 100% blackout fabric. The unique formulation of the yarn eliminates the need for a blackout coating, thereby keeping the blackout fabric the same on both sides and making it highly suitable for open roll systems. Featuring Sanitized®, Kleenscreen Blackout inhibits the development of bacterial odors as well as the growth of mold and mildew on your fabric. Easy to weld and easy to clean, Kleenscreen Blackout provides a practical solution for any residential or commercial interior space.

Mesa Blackout

ROLLER

PANEL

ROMAN

The cosmopolitan fabric, Mesa blackout, is ideal for commercial and residential applications that require total light blockage and privacy. Made from 100% polyester with an acrylic coating, Mesa is PVC-free, offering a high-quality, soft appearance that will add beauty to a room while providing privacy. Match Mesa blackout to Mesa light filtering or the 3000 NET solar screen series. Dove White is ideal for digital printing, with pre-established HP Digital Latex print profiles for a seamless setup.
