FEATURES & BENEFITS

PRODUCTION / INSTALLATION FEATURES

- Painted heads achieve matching finish to Zipscreen powdercoat colours
- Self-drilling tip for maximum installation efficiency for securing side channels
- Perfect length to minimise likelihood of fastener interfering with Zip channel
- Class 4 Galvanised coating (AS 3566.2) provides increased corrosion resistance
 - Suitable for installations more than 100m away from the ocean
- Phillips Head #2, suitable for magnetic driver tips
- Suitable for securing side channels and Box 120 & Box 190 Front Covers
 - Box 190 bracket requires pre-drilling
