USE WITH.	Zipscreen Exterior Shading Systems		☐	☑
TRANSITIONING.	**2025 season**			

IMPROVEMENTS / CHANGES

PRODUCTION / INSTALLATION IMPROVEMENTS

- Matte textured finish hides scuffs & smudges that occur during the handling and installation process better than satin gloss finish
- Assembly and installation steps unchanged with this update

CHANGES MADE YES	CHANGES MADE NO
☐	☑

TRANSITION NOTES

- Satin Gloss finish codes set to **WHILE SUPPLIES LAST**
- Once satin gloss stock is exhausted, the matte texture finish will be the only finish available for Zipscreen exterior systems
- Textured Finish will **not** come with protective film initially (expected to introduce PF option in 2025)

AESTHETIC IMPROVEMENTS / CHANGES

- Matte textured finishes are becoming very popular in the exterior space (considerably higher demand than satin gloss)
