## IMPROVEMENTS / CHANGES

### PRODUCTION / INSTALLATION IMPROVEMENTS

- New latch enclosure allows for off-site assembly into the zip rail to ensure easy installation
- Locking pins are positioned inside the weight bar and secured in place with weight bar end caps
- Two-step, locking and unlocking positions help identify key points while setting or adjusting bottom limits

### AESTHETIC IMPROVEMENTS / CHANGES

- Integrated heavy-duty latching pin and locking mechanism are hidden within the side rails and invisible when installed.
- Locking system secures and tensions the shade ensuring a reinforced, ultra-smooth fabric finish.
