how long does it take to receive samples?	It depends on how busy the warehouse is, but typically they will ship within a few days of receiving the order.
Can you save selected groups of "My Swatches" for later use / reference? Would be useful to be able to save them my client name for repeated use.	Right now there is no way to save groups but that's a great idea. This might require a log in and an account though so I will add that to the list for future functionality.
How do I subscribe to your newsletter?	If you have not visited the site before, you will see a pop up window allowing you to subscribe. If this window does not come up, towards the bottom of the page just before the footer is a field that says "subscribe to stay informed".
Q for Q&A session - on the search results can I filter my search by multiple options, ie both block out and solar (say i'm making a dual shade and I want to see ioptions where colrs match between the 2 fabric option types?	Yes you can select more than one field for a search.
Is this webinar being recorded?	Yes, the webinar is being recorded and will be available for review in our learning center.
Can we post your blog posts into our web site?	Yes, we are happy to have our content shared. You can link to any of the content on our website. If you're looking for a different method, let your sales manager know and he/she will work with the marketing team.
