FEATURES & BENEFITS

PRODUCTION / INSTALLATION FEATURES

- Use to align edges of abutted pockets for a clean look
- Coiled pins provide more rigidity to pocket ends when used to align with other pockets
- Smooth fit makes installing pins very easy
- Compatible with most AP Series pockets and legacy pockets
 - AP-55, AP-55T, AP-66, AP-66T, RCCP5x

FUNCTIONAL BENEFITS

- Quick installation
- Easy alignment for a clean look
- Long-lasting finish won't erode in interior environment

AESTHETIC FEATURES

- Stainless steel finish helps to hide alignment pins when end cuts aren't perfectly straight
