## FEATURES & BENEFITS

### PRODUCTION / INSTALLATION FEATURES

- CPSC compliant solution allows 8" of operable chain.
- Accessories make Shield a one-handed operation.
- Spacing fixture ensures easy measurements of operable chain for compliance.
- Minimal labor; can be retrofitted on existing shades.
- Drill Guide Jig allows for accurate drilling should you buy 12' Shield.

### FUNCTIONAL BENEFITS

- Chain Shield is fixed. Only need to pull chain.
- Chainhold not necessary.

### AESTHETIC FEATURES

- Clear, low profile.
- UV resistant plastic.
